RE: 18 DE Reg. 496 [DOE Proposed Alternative Routes to Teacher Licensure & Certification Program]

Dear Mr. Kenton:

The State Council for Persons with Disabilities (SCPD) has reviewed the Professional Standards Board's [in collaboration with the Department of Education (DOE)] proposal to readopt its regulation entitled "Alternate Routes to Teacher Licensure & Certification Program. It was last reauthorized more than five years ago. This proposed regulation was published as 18 DE Regulation DOE Proposed Alternative Routes to Teacher Licensure & Certification Program. In 2009, the SCPD and GACEC recommended only non-substantive edits which were incorporated into the regulation.

SCPD endorses the proposed regulation.

Thank you for your consideration and please contact SCPD if you have any questions or comments regarding our position on the proposed regulation.

Sincerely,

A handwritten signature in black ink that reads "Daniese McMullin-Powell".
