RE: 22 DE Reg. 230 [DSHS Final Regulation Amending the Delaware Council on Police Training  
(9/1/18)]

The State Council for Persons with Disabilities (SCPD) has reviewed the Department of Safety & Homeland Security's final regulation to update, clarify and provide more detailed information regarding minimum training requirements, firearms training and qualifications for instructors. The final regulation was published as 22 DE Reg. 230 in the September 1, 2018 issue of the Register of Regulations.

The SCPD recommended modifying language in the proposed regulation. The SCPD appreciates DSHS modifying language by using the word "interactions" instead of "handle."

Thank you for your consideration and please contact SCPD if you have any questions.
